Corporate and M&A

We advise international businesses, investors, and private clients on cross-border transactions and investments in Poland, with particular strength in Polish M&A, corporate structuring, complex due diligence, regulatory clearance, and post-closing integration.

We have extensive experience in all aspects of M&A, from deal structuring, negotiations and risk management to the strategic planning of growth and exits, through to transaction execution.

We also provide comprehensive corporate law advice to boards, shareholders, and private investors on setting up companies, corporate governance, shareholder disputes, and the full range of corporate actions.

Some of the areas we typically advise clients include:

- acquisitions and disposals
- issuance of new shares
- legal due diligence
- shareholder agreements and governance arrangements
- employee share option schemes
- transaction work and project assessments
- merger control
- antitrust notifications
- joint ventures
- private equity
- transaction structuring
- reorganisations
- compliance procedures
- warranty and indemnity insurance
- post-closing corporate actions
